- **Please do not cover any books at home**
- **Please buy your heavy duty plastic covers from the school as they are the correct thickness**
- Mark all items individually with your child's name and surname
- Only buy items that your child doesn't have – items from a previous year that are in a good condition, may be used again

Your child should have all these items on the **FIRST DAY** of school. No child will be allowed to borrow anything from another child.

Should your child run out of stationery items, teachers will write notes in school diaries – please replenish any items that are needed – if your child takes good care of the stationery items bought in January, it shouldn't be necessary.
